

Antelope Drive has complained of water issues. Nick is scheduling a meeting with the owners.

Building Mike Gaither, it was reported that there were 12 new building applications and one for dredging. All were approved.

Water Angela VonHooten Meeting was cancelled.

Ecology Sonny Leerkamp- reporting that deer hunt will begin on November 1, and thru the 15th. Also will resume in January 1-8.

A new "Big Wake Study Committee" is being formed that will include 3 Ecology friendly freeholders and 3 Security oriented freeholders.

Clubhouse Brenda Maulden, reported that we have 3 new rentals coming up and on the 29th of October a private party. Please be courteous.

We had 7 September rentals after the Ox Roast. October had 20 activities scheduled and 21 for November.

Brenda suggested an Appreciation Dinner for all the volunteers over past year. A Taco Bar of some sort. Bids from \$1200 to outsource. Brenda and Jim advised they can do this for \$600. No dates have been set as of yet.

Renovation committee to meet to get thoughts on where to head with this project.

X-mas decorations are needed. Angie to shop for bulbs and lights. A motion was made by Alison to spend \$150 and seconded by Chip. All approved.

The outside Christmas Tree and lighting will be set up after Thanksgiving.

Brenda advised that she will have the carpet cleaning completed soon and they will finish gutter cleaning and bush trimming as well.

Committee Reports

Membership Alison Randolph, we are at 360 paid members as of today. She also suggested putting in place e-mail or texting reminders for renewals. We picked up three NEW members since the Ox Roast.

Library Jo Ann Hamilton, Brown County Main Library to test a Trial Bike to deliver and pick up books.

The Library will participate at the Santa Work Shop in December.

The main library now has sewing machines to check out for usage. Our branch will get a unit in about six months as well as a cricket unit.

There will be a AV Charger at the main branch for usage by current Library Card Members. Some conversation that this project will come to our branch but the electric for our branch is paid for by the CSLOA. More investigation is needed.

The Main Branch now has 15 Hot Spots available to card carrying members. Our branch will have 2-3 coming soon as well.

CSCD Karen Short, advised that the Security Survey had 300 responses but the conclusions were vague and all thought the questions were misleading and not understood.

There are now wash stations at CSCD and the Fire Station.

Next CSCD meeting is November 15th, and all should attend. We still have no resolution or real understanding of what is happening between Brown County Sheriff and CSCD and who will be managing our Law Enforcement for the conservancy.

Merchandise Judy Onken, shared that we had a successful selling day at the Block Party. \$386 in cash and \$551 via the square.

It was uncovered that the "Lake Life" handouts from the Ox Roast, came from the O"Gara Family Group and Chip would further investigate for Judy and present at the next meeting.

New Business Mike Gaither, suggested that all board members review the By Laws so we can have discussion on making sure these are up to date, especially the officer term end dates. Currently we have a 2-3 week lull as terms end in August and our Annual Meeting and Election of officers is the 3rd week in September.

Alison suggested that we all make recommendations via e-mail.

Susan Apple, a new relator attended the meeting and is interested in supporting the CSLOA via Newsletter Advertising and supporting other events.

Events Trunk or Treat- October 31-6pm. Craig and Elaina Denier representing CSLOA
